

Love the USA

(Written by Wolfgang Steinwider in 2018)

Love me, raise my heart blood pressure,
when I'm riding through the desert sand,
I feel wild and free,
can feel the pleasure,
we are one in this amazing land.

Chorus:

Love the U.S.A.

We are from

U.S.A.

Yes, I will cry tonight,

`cause I feel

I love you!

Climb with me the Rocky Mountains
and the Hollywood hills in L.A.
Let's make love in hot
Yellowstone fountains,
and enjoy the sunset of Santa Fe.

Chorus:

Love the U.S.A.

We are from

U.S.A.

Yes, I will cry tonight,

`cause I feel

I love you!

Love the U.S.A.

We are from

U.S.A.

Yes, I will cry tonight,

`cause I feel

I love you!
